

CRAVEN MOUNTAINEERING CLUB 2019 AGM
HUT SECRETARY'S REPORT

It's been another busy year!

Since the last AGM there have been 9 hut meets

- 5 Lakes (Patterdale, Thirlmere, Wasdale, Buttermere and Seathwaite)
- 3 Scotland (Torridon, Crainlarich and Cairngorm)
- 1 Peak District (Roaches)

Overall, meets have been well attended and averaging 10 members. We've aimed to keep meet costs to a minimum and over the year fees of £12 pp/pn for BMC huts have given profit of £152.

Three hut meet highlights spring to mind;

- January Burns meet, annually organised and hosted by Dick and Barbara is always well attended and very entertaining.
- National Trust Scotland property Mol Mor which is located at the head of Loch Torridon. 10 of us spent a superb week there in May biking, climbing and great mountain days ticking Munroe's and Corbett's.
- Craven club 40th anniversary meet held at the FRCC hut in Wasdale. Amanda collated photos submitted by members for an evening slideshow which provided much amusement !

Thanks to all who have supported the hut meets and if anyone has any suggestions of places to visit please let us know.
